

2026 COMMUNITY DISTRIBUTION

This year, the registration period for community distribution will open on August 11 at 8 a.m. and close on October 9 at 5 p.m.

As in previous years, we will not be able to fulfil all the orders we receive from members, so the first to register will be the first served until reserves are exhausted. Orders received by mail will be ranked by date according to when Canada Post cancelled the stamp.

The registration period for community distribution will run from August 11 to October 9 2026.

Deliveries will take place from Friday to Sunday only, during daylight hours, making it easier for you travel and pick up your boxes. Deliveries will take place from December 4 to 6 and December 11 to 13. As a reminder, please note that you will receive an automated call during the week before delivery. Keep your QR code coupons in a safe place, as they contain all the information about the date, time and place of delivery.

The contents of the fish box will be similar from last year's box, and will have a few new surprises!
