

Qey psi-te wen,

As mentioned in a previous communication to members, Mr. Jacques Poulin has been acting as Executive Director since April 2021.

On October 5, the members of the Grand Council resolved to initiate the selection process for an Executive Director, a key position in our organization.

In the interest of procedural fairness and transparency, it was agreed that the entire selection process would be conducted by an external organization and that an independent selection committee would recommend potential candidates.

If you have any questions about the position and/or the selection process, you are invited to contact Mrs. Marie-Claude Boucher, Mallette's project manager and responsible for this file for the WWFN, by email at the following address:

In the wolastoqey brotherhood,

The members of the Grand Council of the Wolastoqiyik Wahsipekuk First Nation
